Re: CC Docket No. 02-6
Petition for Waiver, - FCC Form 471 (#181026964)

To Whom IT May Concern:

On behalf of the Bondurant-Farrar Community School District, I am requesting that you accept our late submission of the Form 471 (#181026964).

All of the required work was completed on-time except the final certification submission, due to our School Board meeting schedule and my inexperience as a first time E-rate filer, we missed the deadline.

Moving forward, my team and I have already outlined a plan to ensure all required documents are submitted in a timely manner.

I appreciate your time and any consideration you may give towards allowing the submission of this form.

Thank you,

Chris Bieghler
